

Meditations on learning,  
researching, teaching, living, &  
creating in 2007, in a world  
exploding with possibilities and  
dwindling options; in an  
'anything goes' media culture  
and a tightening neo-liberal  
regime; in a century facing  
global meltdown and potential  
awakening; in a world about to  
burst with something unforeseen  
and always already 'to come'...
