Below the message, there are links for 'View version of SAM' and 'Download as PDF'. On the right side, a 'Details' panel shows the owner, collection, version (1), and status (Rejected). Below the details is an 'Actions' section where the 'Redraft this version' link is highlighted with a red box and a red arrow points to it from above.

6. Please make necessary changes. To submit rejected SAM for moderation, please click 'Save and exit' button and then choose 'Submit for moderation'. If you hope to come back to edit this SAM later, please choose 'Save draft' to save your work.

The screenshot shows the 'Editing' interface for a SAM. A 'Save' dialog box is open, asking 'Do you want to submit this item for moderation now, or save as a draft?'. The dialog box has a text input field for 'Optional message for moderators' and three buttons: 'Submit for moderation' (highlighted with a red box), 'Save draft', and 'Cancel'. In the background, the 'Save and exit' button in the top right corner is also highlighted with a red box and a red arrow points to it from above.
