# Update your SAM

In **Editing** mode, navigate through the SAM with the buttons at the bottom of each page, or by clicking the section links in the menu on the right hand side.

Note: It is not necessary to click Save and Continue each time you navigate between sections.

Once you have made all the changes, click the **Save** button in the top right corner.

When you click **Save**, a window will pop up displaying the options: **Submit for moderation**, **Save draft** and **Cancel**.
