### **APPENDIX B: Research Permission Letter**

3/6/2015

David Tutchener PhD Candidate Department of Archeology Flinders University GPO Box 2100 Adelaide SA 5001

Dear David.

Thank you for your letter, dated 12 May 2015, seeking permission from the Chuulangun Aboriginal Corporation to conduct PhD Research into the history of the Aboriginal People of the Wenlock Goldfield and surroundings areas. Your project aligns with the intent of our Cultural Heritage Management Plan which is to protect and manage the bio-cultural values of the Kuuku I'yu Northern Kaanju Ngaachi.

We have a long history of working with western scientists with the aim to enhance management and protection of the bio-cultural and heritage values of our Ngaachi. One of our key principles when forming such arrangements is to ensure the respect and protection of the cultural and intellectual property rights of the Traditional Custodians for the particular Ngaachi where research is being undertaken. To this end we have developed protocols to protect our Background Intellectual Property which guide our collaborative arrangements.

We hereby give permission for you to conduct work in relation to this project, including:

- Carry out archaeological surveys within the Kuuku I'yu Ngaachi, particularly around former mining areas;
- Access and use publicly accessible historical and archival materials held in libraries and archives in Brisbane, Cairns, Sydney and Canberra.

As part of your archival research we recommend you access the Queensland government records, the Queensland State Archives and Library and the Australian Institute of Aboriginal and Torres Strait Islander Studies for the work, family and personal histories of key Northern Kaanju people. If you require further authorisation or consent to access such material I would be happy to provide this where relevant.

You are welcome to stay at the Chuulangun Campgrounds during fieldwork and we will incorporate

We look forward to working with you on this project.

Sincerely,

David Claudie Kuuku I'yu Northern Kaanju Traditional Custodian CEO/Chairman, Chuulangun Aboriginal Corporation
